Three-seat

Clouds

Pure design

is a perfect combination of metal delicacy and wooden tenderness. The desktop stays on the top of the metal, like a floating cloud, embodying quietness and full of power in silence.

Soft edges seem like floating tassels.

Tranquil Night

Application area : Executive area , VIP area

Product assortment : Kiosk sofa , Clouds tea table , Modul R 460 XL lamp , 298 Office Air LED floor lamp

Clouds tea table collection

Full of power in silence

Delicate metal table legs, matching the light desktop, represent a flavour of modern era.
The suspension connection between the legs and the desktop fully reflects
between the table leg and table top reflects excellent technology.

Three specifications, for various demands.
