

# Coffee Table 咖啡豆茶几&休闲桌

## 轻松工作，逗趣生活

咖啡提神，是紧张节奏的必备，  
咖啡怡人，是舒适体验的调味，  
不管是张，是弛，它都是重要角色。

非正式休闲空间不正如咖啡一般，  
你可以在这里放松，静下来，为下一次伏案提神；  
亦可以在这里寻觅，让思想活跃，让灵感激荡。

Coffee Chair 正是以咖啡豆为设计灵感，  
圆润可爱的造型为空间增添趣味性。

## Easy work, fun life

Coffee is refreshing; it is a necessity of fast-paced life  
Coffee is delicious; it is a condiment in comfortable experience  
Coffee plays an important role during both work and rest

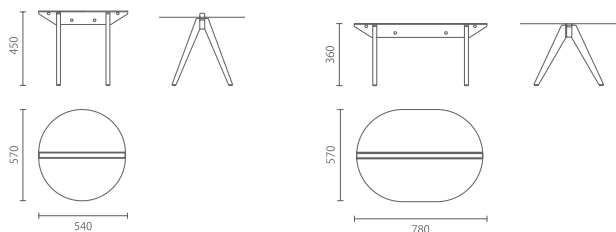

An informal leisure space is just like coffee  
It is a place for you to relax, calm down, and refresh your mind  
for the next task  
Or a place for active thinking and surging inspirations

Coffee Chair is designed under the inspiration of coffee bean  
Its round and cute look gives the space more fun

## Teapoy

茶几
